### **About**

The Dual Enrollment Equity Act passed by the General Assembly in 2013 and the Dual Enrollment Regulations passed by the RI Board of Education in April 2015, grant qualified high school students access to the full course catalog of the three public institutions of higher education in an effort to expand advanced coursework opportunities for students and increase awareness and access to college experiences. Furthermore, the Governor's PrepareRI Dual Enrollment Fund, covers the costs of tuition and fees associated with taking these courses for qualified public high school students. This fund was approved for the academic year 16-17 in the FY17 state budget.

The following courses represent only a portion of the course catalog at this institution but are those that are recommended as most appropriate for high school students. Should you have questions about courses that are not listed in this document but are available in the institution's course catalog, please contact the representative listed below.

### **Dates/Deadlines**

Dual Enrollment Registration: 8/18-9/12

Drop date: 9/12

### **Requirements**

Recommended high school GPA of 3.0+

Junior or senior status

Exceptions to requirements must have the recommendation of the school counselor and/or administrators and/or teacher.

### **Contact**

Holly L. Shadoian, AVP of Academic Affairs/Enrollment Management
